NOTE: When attending an initial training session at another location, please be sure to bring all necessary forms/paperwork with you to the training session. Be sure to Print your name on the Roster at the location. You can request these materials from your church parish/school Safe Environment Coordinator. If you plan on doing ANY volunteer work of any sort for SPES or St. Pius X Church where our Youth are involved, you **MUST** be Safe Environment Certified.

In order for someone to meet requirements for the training session, one needs to be present for the entire training. Doors will close 5 minutes after session begins. Make every effort to be early.

If You Plan To Go To Any Sessions, Please RSVP BEFORE ATTENDING @
